Présentation de l'éditeur

"Everything you need to learn 200 everyday Japanese kanji characters is here in this boxed kit! Flash cards are an essential tool in memorising words when you are learning a new language. In Japanese Kanji Flash Cards Kit, Volume 2, you'll get all the tools needed to learn 200 everyday Japanese kanji, following the 200 kanji introduced in Volume 1 of this series. This Japanese language learning kit includes: 200 hole-punched flash cards featuring commonly used characters. An organising ring to hold the cards you are actively studying. Audio recordings of over 1,200 words and phrases from a native speaker. A 32-page study booklet with sorting indexes and practice tips. Each expertly designed flash card in this boxed set offers core information about the meanings, pronunciations, vocabulary, and usage for each character along with memorable phrases and drawings to help you learn the kanji. A stroke-order diagram shows how to write the kanji correctly. Plus, the hole-punched cards and organizing ring allow you to sort the cards into smaller sets so you can learn or review them in batches and help to remember the kanji character effectively. The kanji introduced in this kit are needed for the AP Japanese Language and Culture exam, and regularly appear in the Japanese Language Proficiency Test at levels N4 and N3. Watch your ability to learn kanji, read kanji, write kanji, and remember kanji grow steadily each day with Japanese Kanji Flash Cards Kit, Volume 2! "
